

Erin Patterson

I will be in Mexico City working with the Urban Poor. We will be with host families in the slums so that we can live with the people we will be trying to serve. We will be assigned to ministries like working at community centers for children on the streets or teaching English to underprivileged children. I am sure we will come out of this summer learning far more from them than we could ever teach them.

How you can partner and pray:

- 1) Pray that we would go into the trip with a humble attitude solely concerned with glorifying God and ready to learn how to love.*
- 2) Pray too for the safety and health of the team (we will be eating and drinking things our bodies are not so used to).*
- 3) Pray for God to give us opportunities to share the Gospel with the people with whom we live and work.*
