

## Kelly Hebrank

This summer I'll be heading to South Africa from June 12<sup>th</sup>-July 28<sup>th</sup> to staff a summer project with Campus Crusade for Christ. Our team of thirty-three students and staff will be thinking about how to live out the gospel through service and evangelism –

sharing the Good Word and Good Deeds. We'll spend some of our time on a college campus meeting students and sharing with them about a relationship with Christ. We'll also be engaging in many areas of service to the poor communities in which we live and work, which will

include ministering to orphans and neglected children; and working with the staff of a health clinic to serve the needs of AIDS patients. Lots of our activities are still being planned, but it promises to be an adventure-filled summer!

### **How you can partner and pray:**

- 1) Pray for my preparation for the trip, since I am the staff-person in charge of planning all the logistics - that I wouldn't lose sight of God and the purpose for the trip in all the details.*
- 2) Pray for my own spiritual growth while there, that God would reveal to me more about Himself and His kingdom.*
- 3) Pray that God would use our team to introduce others to Himself, and that we would be a blessing to all whom we meet.*
