

Sylvia Reimers

I will be traveling to South Africa for 7 weeks during June and July together with a team of college students and Campus Crusade for Christ staff members. We have the exciting opportunity to pioneer a new summer project combining sharing of the gospel and development work, under the theme of "Good Words/Good Deeds". We will be partnering with a local para-church organization called African Enterprise and working with the poor, college students and AIDS orphans. The project will probably include engineering work to design low-cost housing and medical assistance as well as meeting students and having conversations about who

Christ is and what the Bible claims about him.

How you can partner and pray:

- 1. Pray that God would be glorified and that His kingdom would spread in the hearts and minds of South Africans as well as in their physical situations.*
- 2. Pray that laborers and leaders would be raised up to continue ministering there.*
- 3. Pray for the team that they would experience group unity and good community, spiritual growth among the various members, and spiritual and physical protection from harm.*
